The author:

Rainer Manthey: born in 1960, grew up with Opel-cars. His first car was an A-series Manta in 1977. After a study of architecture he began to restore many Opels. In 1986 he started his own periodical magazine about the A-series Manta. He has authored or co-authored more than 30 books about vintage and modern Opel-history in the past 25 years.
